

Heavenly Havanese
Puppy Application
www.myheavenlyhavanese puppies.com

All of our dogs are AKC registered and screened for all recommended tests by OFA which include eye certification, patella, hips, BAER, and cardiac. The test results are registered with OFA (Orthopedic Foundation for Animals).

Our show puppies are sold on full AKC Registration with a contract that states that the puppy must be shown and finished to its AKC championship as well as complete and pass all health testing before it can be bred. Please let me know if you are interested in a show prospect puppy so we can begin discussing additional details and pricing.

Our pet companion puppies are AKC registered and sold with a “non-breeding” spay/neuter contract and all pets must be spayed or neutered between 6 – 9 months of age. Puppies go to their new families around 9-12 weeks of age depending on the litter. We offer a congenital health guarantee on all pups for two years. All puppies have an AKC reunite microchip, puppy exam and are up to date on all vaccinations and dewormed. They go home with puppy food, a bully stick and a handmade puppy blanket and familiar toy, and a puppy booklet of instructions. The puppy will already be registered under limited registration and that cost is covered by Heavenly Havanese.

After your application has been approved, you will then have the opportunity to place a deposit for a puppy. This will be applied to the purchase price of your puppy. A \$500.00 deposit represents your commitment to a Heavenly Havanese puppy and our commitment to you. By sending a deposit you are placed on the waiting list and will receive advanced placement over those who are on the 'no deposit' waiting list. A deposit guarantees you a puppy from a current litter, if available, or from an upcoming litter. If we cannot provide you with a puppy from the current litter, the deposit is fully refundable. If you desire you may transfer that deposit to the wait list for our next litter. We only take deposits once litters are born because we can't predict the sex/color/type of puppies that may be born. We understand that events in life suddenly change, so holding fees are fully transferable to a future litter. If for some reason you cannot take your puppy I will refund your deposit once the puppy is sold and placed in a home.

Litters will be evaluated at 8 weeks. At this time Heavenly Havanese will determine the puppy/s that will be staying at the Heavenly Havanese home as potential show pups. The rest of the litter will then be evaluated for the pet homes. The placement of the pups will be determined by Heavenly Havanese based on the unique temperament of the puppy, size, and other factors that will align with the needs / desires and environment of each family. The families will be able to come meet and visit the puppies usually between 6 – 8 week. We will send photos and videos as the puppies grow. We also take into consideration the buyers desires around temperament, sex, color and other puppy preferences as much as possible. Priority will be given to those who have placed a deposit for a puppy. Heavenly Havanese reserves the sole right and authority in the placement of our puppies. The health and temperament of our puppies

is the most important priority for us and we will only place puppies into homes where we feel the most comfortable that the placement will be a good fit for the puppy and the family. We do our best to preferences, and our puppies are always placed first and foremost around how well that pup will fit into the lifestyle and environment of the new potential home.

First Last Name: _____

Address: _____

City, State,Zip : _____

Email; _____ Phone _____

Please list all family members (including yourself) include name, age, occupation, school/work schedule.

Does everyone in the family want a dog?

Have you ever given up a pet to a shelter?
